1.0 PARKING

VEHICLES IN VIOLATION OF THE FOLLOWING RESTRICTIONS ARE SUBJECT TO BEING TOWED FROM THE PREMISES AT THE OWNER'S EXPENSE.

1.1 Parking on streets is strictly prohibited at any time. Each home has been constructed so as to allow for the parking of at least four to six vehicles (two in the garage and four in the driveway). Owners are required to make full use of the parking spaces appurtenant to their homes.

1.1.1 The Board of Directors has been authorized by the Terramar Community Association to grant temporary exemptions to this restriction for special events under the following conditions:

a) a resident holding a special event requiring additional parking must make a request to the management company in advance of the event; the request may be made in writing or by telephone.

b) such request must include a statement by the resident that both the garage and driveway of the home will be fully utilized before vehicles will be permitted to park on the street; failure to fully utilize all available parking appurtenant to the unit will void the approval.

c) approval shall be for a period not to exceed twenty-four hours.

1.2 Vehicles may be parked only in garages or driveways or such other parking areas as the Board of Directors may from time to time designate.

1.3 Parking wholly or partly upon any lawn, grass, median strip, berm or other landscaped area or walkway is strictly prohibited.

1.4 Trucks or commercial vehicles, campers, mobile homes, motor homes, boats, boat trailers, house trailers or trailers of every other description are prohibited from being parked or stored anywhere upon the properties or upon any lot except that such vehicles may be parked or stored entirely within garages.

1.4.1 This restriction shall not apply to trucks and other commercial vehicles being temporarily parked such as for pick-up, delivery and other commercial services.

1.4.2 The term "commercial vehicle" shall include all automobiles, trucks and vehicular equipment, including station wagons, which bear signs or shall have printed on same some reference to any commercial undertaking or enterprise, or vehicles of more than six feet (6') in height.

1.5 The parking area at the pool is reserved for the temporary use of residents or guests using the pool facilities during regular, posted pool hours.

1.6 Any permanent, habitual or continual use of the pool parking area other than for the purpose set forth above is strictly prohibited.

1.7 Vehicles may not be parked or stored in such a way as to obstruct the free-flow of vehicular or pedestrian traffic.

1.8 Any vehicle parked or stored upon the premises must carry a current, valid registration and license tag and must be operable under its own power.

1.9 Derelict, abandoned or junked vehicles may not be stored anywhere upon the properties.

1.10 Motor vehicles may not be serviced, repaired, disassembled or assembled anywhere upon a lot or the Common Areas except in case of emergency.

VEHICLES IN VIOLATION OF THESE RESTRICTIONS ARE SUBJECT TO BEING TOWED FROM THE PREMISES AT THE OWNER'S EXPENSE.

2.1 Only dogs, cats or other usual, common, household pets may be kept.

2.1.1 The keeping of domestic pets is not a right of an owner but is a conditional license. This conditional license is subject to termination at any time by the Board of Directors upon a finding that a pet is vicious or annoying to other residents or has in any way become a nuisance.

2.2 No more than a total of two household pets may be housed on any one lot.

2.3 Pets are strictly prohibited from roaming freely upon the Common Areas.

2.4 Pets shall be kept on a leash and under positive control at all times when outside of the unit.

2.4.1 Maintaining a pet under positive control shall include preventing the pet from barking, howling, yelping, whining, etc., in any way as to constitute a disturbance to other residents at any time whether day or night.

2.5 Should a pet defecate anywhere upon the Common Areas, the owner, or the person in charge of that pet, must immediately remove and dispose of the excrement in a sanitary manner with the use of a "pooper-scooper" or other appropriate tool.

2.5.1 Failure to immediately and properly pick-up, remove and dispose of pet excrement will result in the Association's engaging the services of a janitorial company to visit the site and remove the excrement. The cost of such service will be charged against the appropriate owner, as a special assessment, at the rate of $50.00 per occurrence.

2.6 Pet owners are responsible, and by virtue of ownership assume responsibility, for any damage to persons or property caused by their pets.

THE ASSOCIATION WILL TAKE ANY AND ALL NECESSARY LEGAL ACTION TO FORCE REMOVAL OR EXPULSION OF PETS IN VIOLATION OF THE FOREGOING RESTRICTIONS. PET OWNERS WILL BE HELD LIABLE FOR ANY LEGAL FEES OR COURT COSTS INCURRED BY THE ASSOCIATION IN CONNECTION WITH SUCH LEGAL ACTION.
